RILEY SHY

WHAT'S IN A NAME?

Hi, guys, it's Megan the intern. Riley Shy cracks me up, 'cause her name is so the exact opposite of what she is!

"'Riley Nympho' didn't have quite the same ring to it," she laughs. "Anyways, I *am* shy *sometimes*—like when I'm crushing on a guy. All of a sudden I start worrying if I'm cute enough."

I don't think Riley should ever worry about *that*!

Favorite sex position: Doggy!
"I hate/like/love oral sex." Love. When I'm giving! The reactions of the person excite me!
"When I give head I'm a spitter/swallower." Swallower. I love the taste.
"I hate/like/love anal sex." Like. I come faster.
Where do you like a guy to come? Wherever he wants.
Turn-ons: A man who knows his way around the kitchen.
Turn-offs: *Hmm...*
Are you bisexual? If yes, describe your best time with a woman: Yes. My best time was with two girls. A bank manager and a prima ballerina. I taught them how to suck cock and eat pussy.
Have you ever had sex in public? No.
What kind of men do you like? Assertive, yet caring, and good in the sack...make that great!
What kind of women do you like? Hot ones.
Do you wear panties? Sometimes.
Do you enjoy exposing yourself in public? I'm not averse to it. Get me in the right mood, and I'll run naked through your mom's house! Ha ha.
What is the sluttiest thing you've ever done? I'm living it. :)
How often do you masturbate? Once or twice a day, minimum.
How do you masturbate? With my hand or the bathtub faucet.
How do you like to be fucked? In many different fashions.
How can a lover best make you come? It's all about my mood...and how well you work the clit. Soft and then faster, based on my reactions.
What is the best part of your body? My mouth...I hope I don't have to explain why.
Have you ever fucked a stranger? All the time...at work.
Describe your dream date: Dinner, video games, amazing sex—twice—breakfast and maybe some more sex.
Describe your ultimate sexual fantasy: Me surrounded by a ton of men and women with their hands all over me.
What's the absolute best sex you've ever had? Sex in love.
Did you like posing nude? I love it, it makes me feel beautiful. The results of a shoot are always most fun.

PANTY CONTEST WINNER

Announcing the winner of BARELY LEGAL's October 2006 Panty Giveaway Contest: Mr. John Hawks of Idaho. We BL editors loved his sweet but hot entry and will be shipping Victoria's polka-dot panties to him today! Check out the winning letter below. And remember to enter this month's contests to win the undies of Alexis (page 27) or Rebeca (page 81).

Victoria,
I would love to have your panties. I love how they adorn your sweet pussy. You were so sexy in your pics that I had to come, dreaming of having my penis enveloped by your tender petals. I want your panties to be able to visualize you in them. When I get your panties, I hope you have soaked the crotch inside your cute little, tight love hole, 'cause I will smell them. With your panties I will look at your pictures often and masturbate thinking of licking your cunt while you come in my mouth. I might even wear your panties, but I will have a hard-on all day long.

You are so sweet-looking. I really love how you have a little snatch patch above your clit. I also love how your breasts look so tender, with sweet little nipples adorned by a light circle of areola.

Please, send me your panties so I can smell and lick your pussy juice.

Sincerely,
John

Hunni,
Your panties just arrived, and I will tell you, they smell as sweet as Hunni, or, I mean, honey! You are a gorgeous little woman!

A. J. [winner of Anniversary 2006 contest]
Wisconsin

Yay! We're so happy you like your prize. And Hunni's happy her panties are in good hands!
—Lindsey

Dear BARELY LEGAL,
I lustfully adore all the BARELY LEGAL babes. Lindsey and I are on the same wavelength as far as perfection goes in the September 2006 issue. And, yes, I want to give Lindsey more than a pat on her juicy, nonanorexic butt for this issue…much, much more! It supersedes any issue (24) I have.

Bailey's tits are indeed magically floating all around my chest as she smoothly slides up and sits on my face with that 5-2, 96-pound frame. What a sexy, teasingly tasty treat! This, from a man more than twice her age—yet hotter than a high school boy!

Memphis Monroe is doing what she does best—engulfing my throbbing manhood with unbelievable perfection as my rod explodes all over her face and pearly whites. And I'm older than your father, Memphis!

Ceara can rock me anytime. I appreciate her honesty when asked how often she masturbates. "More than I brush my teeth," she replied. It sure is a relief to hear another member admit it!

And Adrianna Lima has been a fantasy of mine for a *looong* time. If only I could fuck that perfect pussy! I lost my virginity three decades ago, and she states she's still a virgin—WOW! My imagination's on fire!

Back to Teen Queen of the Month Bailey. She will be Teen Queen of the Year, hands up and down, up and down, up and down, up and down! The photographer simply brought out her teen beauty, and any sane man who doesn't erotically fantasize about her perfection is an insane lunatic!

Warm it up for me, Bailey, here I come—and

doggy-style is my favorite sexual position also. I'm comin'....

BARELY LEGAL dreamer,
L. N.
Georgia

Dear BARELY LEGAL,
Just a comment on Memphis Monroe in September's issue. Please give Matti Klatt a raise. Matti's photography, coaxing Ms. Monroe to "talk to the camera" with her eyes, is outstanding. In order to get an outstanding layout, there has to be excellent communication between the subject and the photographer. Not one of the illustrations is stiff. Of course, Ms. Monroe's million-dollar smile contributed to the success of the layout.

Again, good communication and an excellent shooting!

D. H.
South Carolina

Thanks, D. H.! Our photographers never usually get compliments, so they totally appreciate them when they happen. But Matti says to also tell you, it's really not hard work at all making the cutest girls on earth look cute! ***—Lindsey***

Dear BARELY LEGAL,
I don't like to write in complaint, but in your September 2006 issue, I could do without Memphis Monroe. She belongs in something like *Playboy* (not a compliment).

What I like to see are girls like Nicole (September 2006), Kelleigh (July 2006) and Sally (December 2004). Get the picture?

Longtime subscriber,
D. S.
Tennessee

We do, D. S., we totally know what you're saying. Memphis is a bit more glamorous than those other girls you mentioned. BUT—we got a ton of positive letters about her, too. We can't please every guy, but we can try to please as many guys as possible. (Boy, do we sound slutty!) Thanks for writing! ***—Lindsey***

Dear BARELY LEGAL,
I just wanna start out by saying thank you for printing my letter in your September 2006 issue, and, once again, thank you for your remarkable work. You guys are without doubt the best!

Bailey and Memphis Monroe both blew me away. Hey, Memphis, isn't your dad a pastor? I'm not exactly sure how old you are, but I'm 26. If that falls into your older-guy category, then bring it on.

I gotta be honest, though—I'm still hung up on Brea from June 2006. I wish you could put her in every issue. Tell her I said thanks for the compliment, true or not.

Anyways, keep up the amazing work, you guys.

D. L.
Florida

Of course the compliment about your photo was true! I saw it, too, and you totally look like you work out. But I did not try to steal your photo from Brea. She's a little fibber! ***—Lindsey***

Dear Nicole,
This is in response to your question in the BARELY LEGAL September 2006 edition. Please do *not* get a boob job. Boob jobs look grotesque! Everyone knows they aren't real! Your boobs are *cute*! They are just darling. Also that operation is very dangerous and very painful! Also very expensive!

L. P.
California

I won't get one! I promise! So many readers wrote in to tell me they like my titties just the way they are. This one reader, C. L. from Virginia, was like, "More than a mouthful is a waste." Isn't that funny? Anyway, thanks to all you guys for writing! ***—Love, Nicole***

Hi Lindsey,
I am a horny 19-year-old girl. I love your mag. All the girls are so hot! It is my dream for you to do an interview with me. I am always touching myself thinking of you. Thought I would write and let you know.

XOXO
Crystal
Missouri

Thanks, but you didn't send any photos! Send me some naughty pics of yourself! What are you waiting for? ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. This BARELY LEGAL February 2007 you're holding in your hands right now? It's practically an all-reader-request issue! I'm not kidding!

First of all, spread-butthole specialists should turn *immediately* to Jordana on page 90. There it is—*only* the sweetest, spreading-est little bung of all time.

For the many foot fans—including reader C. L. from Virginia—we have Chelsea's delectable toes and her first-person confession of how they got sucked, starting on page 60. And, C. L., the photo on this page is for you, too!

You say you want virgins? *Real* virgins? Check out Corey in *BARELY LEGAL Slumber Party*. (I hope she at least lets guys fuck those 34Ds!)

Tons of readers have written in to request Avril Lavigne and Amber Tamblyn as their "Young Celeb Fantasy." This month in *BARELY LEGAL News Flashes* we feature your Avril fantasy—plus actual, *nonfantasy* Amber nip!

WOW! You guys, it so turns me on when I can deliver your requests. So here's *mine*: Don't stop now! Tell me what else you want....

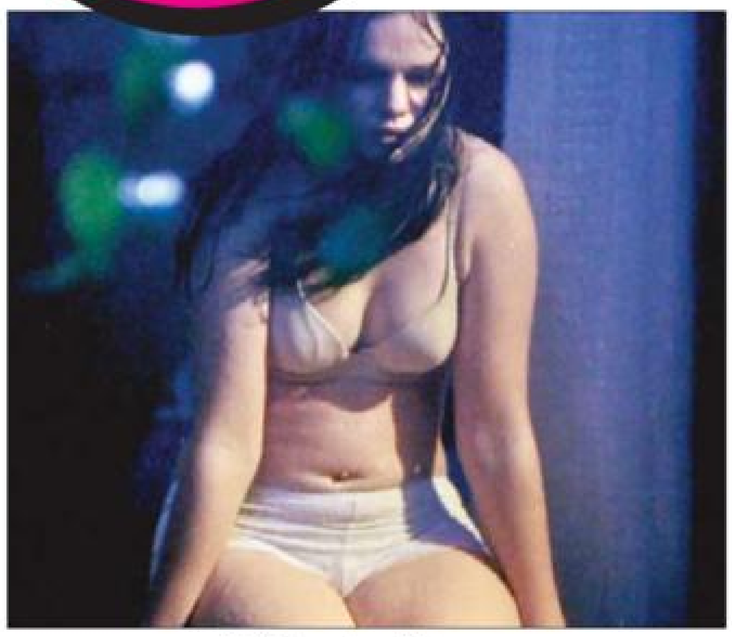
AMBER TAMBLYN

BOOB WATCH!



Without a Trace

Courtesy mrskin.com

by sophie the intern

You guys, sometimes my journalism assignments are *so* tough. There are, like, literally tons of cute young celebrity girls roaming around with their titties hanging out, but *this* month, Lindsey was all, "The readers want Amber Tamblyn! Get me Amber Tamblyn!"

Okay—Amber used to star in a way wholesome TV show called *Joan of Arcadia* about a teenage girl who sees God. She does *not* do naked stuff. Believe me, I looked *everywhere*. I rented her movie *Live Nude Girls*—she wasn't one of them. I watched *The Sisterhood of the Traveling Pants*—she kept hers on. The *only* thing I could find were these bra-and-panty pics from TV's *Without a Trace*.

Then, a miracle: Amber's red dress parted, and out popped the most precious little nip I have ever seen in my life. The readers' prayers have been answered, and my job has been saved! Thank you, God—and Amber!

TATUM O'NEAL

BACK WHEN SHE WAS BARELY LEGAL

by megan the intern

If BARELY LEGAL had been around back when Tatum O'Neal *was* barely legal, she would have totally been our honorary girl of the month. In fact, she probably would have had a whole feature!

Seriously, Tatum started playing naughty girls when she was *really* little. At age nine, in *Paper Moon*, she cursed and smoked cigs. At 12, in *The Bad News Bears*, she bet her bod to get a boy to play on her baseball team.

By the time she hit her teens she was *super* naughty. In *Little Darlings*, the barely legal-est movie of all time, she and Kristy McNichol had a contest to see who could lose their V. first. Tatum didn't *mean* to go topless (yeah, right!), but a little nip slipped out just the same. Then, in *Circle of Two*, she showed her taters to ancient Richard Burton. And what is she hiding behind that chair? A little Tatum twat, perhaps?

Tatum O'Neal, you will always be a shining beacon for the teens of today. We salute you!

Young punk Avril

Future perfect Avril?

AVRIL LAVIGNE

Young Celeb Fantasy

by Reader Request

Canadian pop singer Avril Lavigne used to drive us crazy. We want to *scream* when a pretty girl like Avril hides her looks under combat boots and men's neckties.

Well, she couldn't *totally* hide them—not from M. B. of Illinois and R. B. of West Virginia. Like us, these BL readers have been waiting for Avril to grow out of her "punk rock" phase and emerge a lip-glossed butterfly.

You guys, that day has finally arrived. Avril says she's "starting to feel more feminine." She's wearing skirts. She's accessorizing. She's even using a curling iron!

But she still has a lot to learn. We BARELY LEGAL girls know that true femininity lies not in our clothes, but in our coochies. We can only hope that Avril will someday follow our example.

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Avril Lavigne actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

ALEXIS
TRUTH OR DARE ME

Hey, guys! It's me, Lindsey. When I met Alexis, I totally felt like she was my little sister and I wanted to protect her. 'Cause she looks so innocent. Well, turns out, she *is* innocent in a lot of ways, but in other ways...let's just say not *all* of my feelings are now sisterly!

lindsey: Tell the truth: Are you still a virgin?
alexis: What?! No! Do I *look* like a virgin?
lindsey: Sort of, yeah.
alexis: Well, I'm not. I've been having sex for like three months now.
lindsey: What's your favorite sexual position?
alexis: Doggy.
lindsey: So, you like it a little rough?
alexis: Sometimes. But my favorite *way* to be fucked is nice and slow. You just get into this groove, and it feels almost like a dream.
lindsey: What about butt sex?
alexis: I don't know, I think my butthole might be extra sensitive. It hurt so much the one time I tried it, I had to stop.
lindsey: So, you'll probably never have butt sex?
alexis: I didn't say that. Maybe I have to start slow. Like, maybe with a finger.
lindsey: What about a tongue?
alexis: A *tongue*? People do that?
lindsey: Sure! It feels awesome.
alexis: [*Thinks*.] Okay. I'll do that next time.
lindsey: Really? Just like that?
alexis: Well, I don't want to miss out on anything.
lindsey: Are you a pretty sexual person?
alexis: I would say yes. I masturbate a *lot*.
lindsey: What's your favorite method?
alexis: Rubbing my clitty with my fingers.
lindsey: What do you think about?
alexis: Sometimes guys, sometimes girls.
lindsey: Have you had sex with girls?
alexis: Not full-on. But one night some stuff happened.
lindsey: Tell!
alexis: Okay. Me and like five of my girlfriends were having a sleepover at our friend Tara's house. We were just going to watch DVDs and talk about boys and sneak Tara's mom's wine. Well, we started playing Truth or Dare for some reason, and I guess maybe we had a lot of wine, 'cause all the dares started to get, like, really weird. Like, I had to give Tara a lap dance in my underwear. And then this other friend, Melanie, was dared to lick my tits! It was practically, like, a lesbian orgy!
lindsey: Wow! I wish *I* had been there.
alexis: Me, too. You're hot.
lindsey: Alexis! Are you hitting on me?
alexis: I told you—I don't want to miss out on anything! ★

NIKKI NINE

PERFECT 10

photography by matti klatt

Sophie the intern here with the awesome Nikki Nine. She's never ever *ever* done porn before, but she's already a star. HUSTLER just signed her as their brand-new, youngest-ever contract girl. She's all about being in BARELY LEGAL and took time out of her busy schedule to talk to us about sex and stardom.

sophie: Hi, Nikki. What's up?
nikki: Not much. I just finished a radio interview with Adam Carolla, and I'm about to go to lunch with Memphis Monroe and the girls.
sophie: So, you just signed a big contract with HUSTLER, right? What's that like?
nikki: It's exciting. I can't wait to shoot my first movie.
sophie: You must be *soo* nervous.
nikki: A little, but I love being in front of a camera, and I love sex! I'm a big exhibitionist. I can't wait to perform.

StoreMags.com

sophie: How did you get into the porn business?
nikki: I originally got into the industry to get back at an ex-boyfriend. He cheated on me with my ex-best friend! I was only going to pose for HUSTLER once, but I fell in love with the idea of being a porn star.
sophie: What do you like to do in your free time?
nikki: I haven't had a lot of free time lately, but I love having sex, of course, shopping, hanging out with my friends and family and riding dirt bikes!
sophie: What's something people may not know about you?
nikki: That I'm a bookworm! I love *The Bell Jar*, *Gone With the Wind*, *Crime and Punishment*....
sophie: What are your plans for the future?
nikki: I'm shooting a bunch of movies in the next few weeks. My contract is for a whole year. Also, I'm hoping I can go back to school and study zoology and English. ★

See Nikki in *Educating Nikki Nine* this coming January, *The Erotic Adventures of Nikki Nine* in February, *BARELY LEGAL #68* in March, and more coming soon on DVD.

"I like it in the ass," **DANNY** admits. The 19-year-old from Sacramento, California, describes herself as "exciting and freaky" in bed. The craziest place she's ever had sex was on a school bus when she was a senior in high school. She says she has the best orgasms when she's "being fucked hard from behind and having my hair pulled." Her fave, though, is "oral sex, both giving blowjobs and getting some." Danny loves dancing and totally wants to dance nude at a strip club because "everyone else does it!" She's also into photography and drawing and wants to be a model and wedding photographer someday. Her ultimate fantasy is all about "eating pussy while being fucked in the ass!"

Hi, I'm Juliana. I don't know if you remember me. I was in BARELY LEGAL last summer with my friend Kim [*Kim & Juliana: Game On!*, June 2006]. She wanted me to have a threeway with her and her boyfriend. I was so nervous, I almost chickened out. I'm *soo* glad I didn't. Omigosh, that was the hottest night of my entire life. But unfortunately it wasn't all fun and games and high fives. Threesomes *sound* like fun, until someone gets hurt!

I mean, I'm sorry if I just happen to be good at blowjobs. Some people are, like, good at making macaroni art, and some people are good with a dick in their mouth. It's not like I'm all that experienced at blowjobs. I mean, there was just that time at summer camp and that one party that *no one* will ever let me forget. I guess it just comes naturally. But anyway, Kim got all mad at me 'cause she thought her boyfriend was into me more than her. I think it's just because, like, the grass is always greener or whatever. Anytime a boy gets to have sex with a new girl, he's all over her.

But it's cool. Kim and I would never let a boy come between us. I just had to make it up to her by going down on *her* a few times. I totally gave her a huge orgasm and was like, "See? I told you I'm just good at oral!"

I love going down on girls. But honestly? I could use a new guy right about now. Like, my *own* guy for a change. I want to be able to give BJ's and have sex without feeling guilty. I think sex is best when it's one-on-one, and you can totally focus on pleasing the other person. If I had a boyfriend right now, I would probably let him do me in the butt if he wanted.

Oops! Did I say that out loud? I'm sorry. I get so horny when I'm all naked and laying out in the sun like this. My fantasy is to do it outdoors, but I've never tried it because I'm too afraid of getting caught. It's weird, 'cause when I fantasize about it, there's always, like, people watching and stuff. I wish there was someone here right now to make my fantasy come true! ★

SARAH

REDHEADS HAVE MORE SEX

photography by e.i.p. studios

I admit it—I wasn't all that popular in high school. I wasn't a cheerleader or the homecoming queen or anything. Honestly? I was kind of nerdy. I got good grades, and I was in the drama club, and I volunteered at an old folks' home. Pretty boring, huh? But I guess none of that really matters once you get to college. I've met more cute guys in my first semester than I met in all four years of high school!

The first few weeks were pretty crazy. I flashed my boobs at least a dozen times. I even walked down the halls completely naked once on a dare. Doing that made me so tingly all over that I started turning into, like, this total exhibitionist.

Like, we played a coed strip-poker game, and I actually lost on purpose just so I could take my clothes off in front of my crush. It worked! He definitely noticed me. He was kind of shy, but we ended up having sex, like, a week later.

Posing naked in a magazine has always been a big fantasy of mine. I thought I would be too nervous to go through with it, but actually it was a total confidence booster. I'm pretty proud of my body—even though I don't have the world's biggest boobs.

Apparently, word has already gotten around campus that I'm going to be in BARELY LEGAL. The guys seem to love it—girls, too! Other people might think I'm a slut or whatever, but my real friends support me. This is my chance to break out of my shell!

Besides, we *all* do crazy stuff in college. I'm not the only one who hooked up in our dorm's coed bathrooms or did a flavored-condom taste test. By the way, watermelon is my fave!

Okay, yeah, I've slept with a couple guys, but that doesn't make me a slut. It's a total double standard that it's okay for guys to have lots of sex, but not okay for girls. I'm just trying to have some fun and make the most of my college experience. Yes, that means I've done the whole college lesbian thing, too!

Don't tell my roommate, 'cause I don't want her to get freaked out, but recently I went down on my first girl. Her vagina tasted kind of funny. Not in a bad way! I mean, it was definitely vagina-flavored. It was just weird. I guess I just prefer a dick and balls in my mouth. But it was still a huge turn-on to be with a girl. The kissing was awesome. Plus, I got to play with her boobs! I love big boobs probably as much as my guy friends do. The next time you see me in BARELY LEGAL, I might have to bring a girlfriend with me! ★

PERVY IN PINK

how I went from normal girl to sex fiend overnight

• *by chelsea paige* •

I'm the most normal girl in the world. I live in a nice neighborhood in Connecticut where everyone drives a nice car and the yards are all perfect. I'm 18 years old, a senior at Hartfield High School. Since the tenth grade, Mark Paul Whitfield has been my boyfriend. Mark Paul is tall and athletic and all the girls love him. We were just voted Most Perfect Couple, Class of 2007. I always figured Mark Paul and I would get married and have lots of blond kids and be so happy it would be ridiculous.

But sometimes life doesn't go according to plan. Last summer, my parents decided that our family should host a foreign exchange student. I had a fit—senior year is for prom and parties and graduation, not for sharing the house with a weird Eastern European. But it didn't matter how I felt. At the end of August, Jonas Biksas moved in.

When I found out Jonas was from Lithuania, all I could think of were those wild and crazy guys on old episodes of *Saturday Night Live*. I imagined some freak in tight pants and a 1970s hat. I almost went into shock when I met him. He looked more like Orlando Bloom than Dan Aykroyd.

"I am Jonas," he said in a totally hot accent. He shook my hand. His fingers were long and warm, and right then I knew my whole world as I knew it was about to end.

My parents gave Jonas the guest bedroom, which meant I had to share a bathroom with a hot guy my age. I was flipping. The bathroom *connects* the two rooms. What if Jonas walked in and saw me naked?

I started thinking about how my girlfriends were going to want to go out with Jonas—especially Nicole, who's kind of a slut. Even though I had my own boyfriend, I found myself feeling annoyed and jealous before it even happened.

So, school started and, as I predicted, my girlfriends were gaga over Jonas.

Suddenly Nicole wanted to come over all the time and swim and hang around my living room in her bikini. She has a pool at her house! She so obviously wanted Jonas to see her tits.

But the worst part wasn't Nicole—it was Mark Paul. Even *he* had a thing for Jonas. I don't mean like *gay*, but Jonas was a basketball star at his high school in Lithuania, and Mark Paul just thought that was the coolest. Now all Mark Paul wanted to do was shoot hoops in our driveway with Jonas and my dad instead of having sex with me. I was feeling jealous and neglected. Maybe that's why I let what happened happen.

Jonas had been living with us for a month. We kept the bathroom doors closed between our rooms. He'd never knocked on my side to come in, but then one night, he did. It was a Sunday. Mark Paul had been at the house all day basically ignoring me, and I was bummed. I told Jonas to come in.

"I couldn't sleep," he said. He sat at the edge of my bed. I was under the covers, wearing matching pink cami and panties from the Gap. I had been reading *In Touch*, which I tossed under my nightstand, embarrassed. I didn't want Jonas to know I was secretly obsessed with Ashlee Simpson.

Jonas didn't try to make conversation. He just stared at me. I felt sweaty and nervous. He touched my chin. "Your face is beautiful. I kiss you, yes?"

The kiss started off soft and gentle, the kind I used to dream about before I'd ever been kissed. Then we Frenched, hard, sloppy and wet. Jonas pulled down the blanket and ran his fingers up my thigh. He rested his hand against my pussy, which was already wet. I thought I'd faint. Making out with Mark Paul had never felt like this.

"We will not tell your parents," he whispered, pulling my panties to my knees and shoving his nose between my legs. I opened my thighs wide and bumped my coochie against his mouth. His tongue swirled around my hole without going in. He was teasing me. My pussy was hot and swollen. He slid two fingers into my coochie and lapped at my clit. I wanted to explode right then.

"I taste each part," he said, running his mouth down my leg. He kissed my calf, my ankle and, before I knew what was

happening, he'd stuffed three of my toes into his mouth.

"*Wha*—" I wanted to be grossed out, but it was, like, a major turn-on, Jonas sucking my toes like that. He stuffed his tongue between each toe. I bit my lip.

"You have orgasms, yes?" Jonas nibbled on the pad of my big toe. I squirmed and burst out, "Omigod!" My legs were trembling. I rubbed my clitty and came all over my hand in like two seconds.

I squealed, shoving my pillow over my face so my parents wouldn't hear.

Jonas stood and pulled a giant boner out of his sweatpants. "I'm coming," he announced. He shook his dick and splooged all over my feet and legs.

"I will sleep like a kitten," Jonas beamed, tucking his penis back into his pants. He kissed me on the mouth and went to his room, closing the bathroom door behind him.

After that, the convenience of our bedrooms was too much to resist. Jonas slipped in every night to lick my pussy, suck my toes and jack off on my feet. Part of me felt rotten because I was still Mark Paul's girlfriend, but all I looked forward to was Jonas's licks. Mark Paul didn't know, and Jonas wasn't jealous. He said he was happy to have me "for share."

"For share" was fine for Jonas, but it wasn't for me. When I started seeing Nicole and Jonas standing too close in the halls between classes, Nicole laughing and rubbing her big boobs on him, I was so not okay with it. I was totally mad. Still, I knew I was being a hypocrite, so I kept my mouth shut, even after I saw them making out behind the gym. I didn't say a word until one night Jonas came in late, super late, way past curfew, and I just couldn't stand it.

"What happened?" I busted into the bathroom. I didn't even knock. Jonas was brushing his teeth in his boxer shorts. "I've been waiting for you since like ten," I said. He looked at me, unconcerned. He spit out his toothpaste and grinned.

"I had a date with Nicole," he said, smiling like it was no big deal and I should be happy for him. "Nicole is your friend, don't you like her?"

I stared at the floor, refusing to look at him.

"You date Mark Paul," he noted.

"I was waiting for you," I repeated. My face burned. "Did you do things with her like you do with me?"

"Is only first date!" he protested. He was so innocent—as if.

"Yeah, right. I bet you had sex. You and I don't have sex, but I bet you and Nicole did!"

"You and I have sex, yes?"

"Not, like, full-on," I said.

"You want full-on sex?"

"Yes!" I shrieked, way too loud. "I want full-on sex!"

Jonas clamped his hand over my mouth. We stood like that, frozen, listening for my parents, but heard no noises. Jonas dropped his hand from my mouth and whispered, "Then I give you it." He lowered me onto my back on the cold tile floor. "I give you full sex."

Jonas kneeled over me and tossed my panties in the sink. He grabbed my feet and lifted my legs into the air, gripping my ankles like ski poles. His boner poked through his boxers. It looked bigger than it ever had. The tip glistened with pre-cum. He stuffed the five toes of my right foot into his mouth. He slurped and grunted. Drool dripped down the arch of my foot and beaded up at my heel. My pussy pounded. I stuck three fingers in my hole. Jonas pulled my hand away and replaced it with his dick.

"Big," he boasted, nudging his head into my hole. "Tell me yes."

"It is," I gasped, as he pushed a couple more inches in. "It is *big*!"

I wrapped my ankles around his neck, and he slid the rest of the way in. I felt tight and tiny. He pushed my knees to my ears and banged hard, his face twitching and red. I clutched the edge of the tub behind my head, moaning, my pussy muscles tightening, quivering. My nipples were hard and tingly. I tugged at my boobies, tried to lick them.

"You're too much!" Jonas wheezed. "I cannot stop semen!" With a deep animal groan, Jonas came, lashing my chest with a long, sticky rope. "Sorry so fast," he panted, collapsing next to me, rubbing the hot puddle of jizz into my tits.

"I loved it," I said. I was happy. Maybe now I had him all to myself. Maybe now I could just be his.

I couldn't. A week later, Jonas announced that his "very close friend," a Hungarian girl named Gabriella, was coming to visit. It was fall break, and she was staying for the entire week we didn't have school. I'd never seen Jonas so excited. All he could talk about was Gabi this, Gabi that. And I was mad. I wanted Jonas all to myself. I didn't want to share him with Nicole, and I definitely didn't want to share him with some Hungarian bitch.

So I sulked a lot, and I even told Jonas we weren't having any more sex. I couldn't stand it, though. We ended up doing it doggy-style in my walk-in closet the night before Gabriella arrived. I seriously came three times, and I even let him stick it a little bit in my ass. I can never stay mad at him.

Gabriella turned out to be tall and stunning. I mean seriously, she looked like a supermodel, with huge green eyes and auburn hair and alabaster skin. My parents announced that Gabriella would sleep in my room because "sharing Jonas's room would be inappropriate." I didn't want her in Jonas's room, either, but I was a little weirded out. I had to share my bed with the most beautiful girl I'd ever seen, and I wasn't sure how to feel about that.

With Gabriella, Jonas acted different, almost like I was invisible. Jonas looked at Gabriella with lust, almost drooling, like she was an actual goddess. I was dizzy with jealousy and dread. My secret exchange student boyfriend was in love with another girl. I didn't even want to think about what would happen if Mark Paul came over and met Gabriella. He'd probably love her, too, and Jonas would be like, "I am sharing my beautiful Hungarian girlfriend!" Mark Paul and Jonas would both forget I ever existed and my whole life would be in the shits.

The first night of Gabriella's visit, we all watched *Wedding Crashers*—me, Jonas, Gabriella, Mom and Dad. Everybody ate Chex Mix and had a good time except for me, I just felt depressed. It was like the whole house was competing

for Gabriella's attention, including my parents, always offering to bring her a pillow or make her a milkshake. I was frustrated and mad until later that night in my bedroom.

Sometimes you have a completely insane idea, something you would never imagine, but it might work and it might actually happen. Because I found myself thinking, I'm going to do it with Gabriella, and that'll show Jonas, that'll really show him. I had no reason to think she was even part lesbian.

Gabriella was lying in my bed in a wife-beater and white underpants, stretched out on her belly, laughing at the pictures in my *In Touch*. I was lying on my back, my head to the side. I could see right down her top. I could even see her pale pink nipples pressed against the fabric. Some deep part of me stirred and made my clitty throb. I was just like, I'm going for it. I slid my hand down her panties and stroked her silky butt to see what would happen.

Turns out, Gabriella is more than a little bit lez. Her back arched when I touched her ass. She raised her booty high and squirmed until my hand slid between her warm, moist pussy lips. I massaged her clit, and she rolled her hips.

"Eat it," she said. I was powerless to resist. Gabriella made herself comfortable, propping her back against a pillow so she could watch me lick. I pulled her panties off and stuck my tongue as far as it could reach into her hot hole. She tasted warm and spicy. I sucked her pussy lips and flicked my tongue against her clit. She pushed her pussy against my mouth. I sucked her harder and reached one hand down to release the pressure from my own throbbing cooch. I was so wet, my pussy made smacking sounds as I rubbed.

I was getting seriously carried away. I munched my way down to Gabriella's ass and thrust the tip of my tongue into her pooty hole. She squealed, and Jonas walked in.

Everyone was still for a moment. I mean, deep down I'd wanted to be caught—otherwise I would have locked the door—but I felt kind of ashamed there for a second. Jonas looked blank, like he hadn't absorbed what he was seeing, and Gabriella just looked pleased, like a princess, sitting pretty and smiling.

The next thing I knew, I was the filling of this totally insane sandwich, Jonas's dick in my pussy and Gabriella's finger in my ass. Jonas pounded me from behind while Gabriella tickled my tooter and sucked my tits. I could hardly breathe. I thought I might pass out, but I'd be lying if I said I didn't love it.

What I had to come to terms with is that if I wanted to love a wild European man, I had to be open-minded, and that's finally what I did. I mean, having a threeway with my secret Lithuanian lover and his hot Hungarian girlfriend brought me such amazing happiness. I wasn't tense anymore. Jonas even told me, "You are no longer hung-up American."

Part of me *is* still hung up, though. I haven't broken up with Mark Paul. I don't know how to explain these things to him. I mean, he still comes over, and we even find some time to fool around, but the truth is, I think I'm in love with Jonas. So now it's like I have two boyfriends. But I don't want to marry Mark Paul anymore. I want to run off to Lithuania.

CASEY PARKER

Hey, it's Lindsey. You guys, I am such a blob next to this month's BARELY LEGAL Teen Queen. I can barely drag my butt into the office by 9 a.m., but Casey is out of the house by dawn every day!

"*Before* dawn, actually," says Casey, a high school senior. "It's still dark out when I hit the beach. I like to get a few hours of surfing in before school. Surfing is, like, the *only* thing that matters to me. Well, surfing and *sex*. Gotta be well-rounded!"

Well, with Spam musubi, you slice the Spam really thin, grill it, slap it on a block of sushi rice and wrap a piece of seaweed around it. It's so yum! I could eat it all day long!
Pet peeve: Guys that think I can't surf for real just because I'm a girl.
Biggest turn-ons: Athletic guys. Dark hair and eyes. I like guys who are part Asian and part white. They are so beautiful!
Biggest turn-offs: School. Being trapped indoors.
Fave masturbation method: Rubbing my clit. I'm really good with my hands. With guys, too. I *love* wrapping my hand around a big cock.

Dirtiest thing you've ever done: Had sex on the beach while a bunch of people were watching. I didn't care!
Kinkiest fantasy: Two guys, one in my mouth and one in my pussy.
Deepest, darkest secret: I'm dying to try anal sex! I don't know why I haven't done it yet. I've done practically everything else! My ass is going to waste! Anyway, I swear it's going to happen this year, no matter what. Maybe I just have to meet the right guy.
Ultimate goal: I want to be on the cover of *Surf* magazine—my *second* favorite mag. And I want to win Pipe Masters [a big surf competition] someday.

PART TEN

Hey, it's Lindsey. Check out our cool comic! It's set in the future, during a sexual revolution, and it tells the story of a sheltered 18-year-old girl named Twenty. After Twenty's parents are tragically killed, her guardians take her out of convent school and send her to a new school, Cliffords, to get a sexual education. Soon Twenty marries Gilbert, a mysterious older guy who is always, like, testing how far she'll go sexually.

When we last saw Twenty, she was being kidnapped by two masked men! In Part Ten, her roommate Mandy and another school friend David (the guy Twenty secretly loves!) set off to rescue her....

This collected story is available in book form from Last Gasp, P.O. Box 410067, San Francisco, CA 94141-0067 or www.lastgasp.com. Age statement required.

ELENA RIVERA

THE GIRL FROM NEW YORK CITY

What's up? It's Sophie the intern. Elena Rivera is really excited to be in BARELY LEGAL and was totally eager to answer all my questions—and do whatever else I wanted! So let's get this party started!

sophie: What's your favorite movie?
elena: *Weekend at Bernie's*.
sophie: Who's your favorite band?
elena: No Doubt, when they *were* No Doubt.
sophie: What's your favorite TV show?
elena: *Entourage*, *Sex and the City* and *Family Guy*.
sophie: Favorite actor?
elena: I happen to love Reese Witherspoon.
sophie: What are your hobbies?
elena: Partying, dancing, decorating and sex.
sophie: What turns you on?
elena: Dirty talk, kissing, touching, flirting, someone who actually cares about what you have to say and honesty.
sophie: What about turn-offs?
elena: Cocky people, divas, liars and when people bring up their ex-girl/boyfriends.
sophie: What's your favorite sexual position?
elena: Cowgirl, but the guy *can't* be a dead lay while I'm up there.
sophie: How did you start modeling?
elena: I was so broke, and I always wanted to do modeling, so I started doing porn because I couldn't afford $2 to get on the subway to go to school.
sophie: What do you do besides model?
elena: This is my only job, but I like to be with my friends and have fun.
sophie: Are you single?
elena: No, I have a boyfriend, but since this is going to be in February 2007, hopefully that will still be true!
sophie: What kind of men do you like?
elena: People who are bluntly honest, who listen and really care. I would rather be with someone who was ugly as hell and be their princess and their everything than be with someone who's sexy and just be another chick.
sophie: Are you into women, too?
elena: I like women with big boobs for some reason. I think it's 'cause I don't have any. A nice ass is great, but boobs are more fun. Also? I like tall girls who are more my size and thicker. Tiny, skinny girls are so small, I would feel like a perverted man 'cause I'm five foot five. Hahaha. I also love women who are really outgoing and come on to me.
sophie: What was your best time with a woman?
elena: I have too many good times to describe.
sophie: If you could have sex with any celebrity, who would it be?
elena: *Hmmm*...I think I would wanna bang Angelina Jolie, 'cause I think she's probably the freakiest chick in bed. →

Age: 19
Height: 5-5
Weight: 125 pounds

sophie: Do you like oral sex?
elena: I love oral sex from women. Women just know how to do it better. With guys, it's all right, but I need more kissing and talking instead. I'll give it, though!
sophie: Do you spit or swallow?
elena: I swallow. And you know what? I like it.
sophie: Have you tried anal sex?
elena: I don't like anal sex. It hurts. I'm just not into it. It's okay to rub around the area, but I don't want to be actually penetrated.
sophie: Where do you like a guy to come?
elena: Anywhere except my hair. I prefer not to have a guy come in my pussy, 'cause I always leak it out forever! Like I said before, I swallow, so usually I like to have a guy come in my mouth.
sophie: Do you wear panties?
elena: Sometimes. Not really, though.
sophie: Do you like exposing yourself in public?
elena: When I'm on the red carpet at an event, it's fun. But generally walking around naked in public is a little embarrassing for me.
sophie: Have you ever had sex in public?
elena: No, I'm too afraid of being kicked out of the place or getting caught.
sophie: What's the sluttiest thing you've ever done?
elena: I don't really have any stories that are *that* slutty, really.
sophie: What's your deepest, darkest secret?
elena: If I told you, it wouldn't be a secret anymore!
sophie: How often do you masturbate?
elena: I get a lot of action, so it's not really necessary. Haha.
sophie: What do you do when you *do* masturbate? →

elena: Think nasty thoughts, of course, and rub myself. I'm not much of a fingering type of girl.
sophie: How do you like to be fucked?
elena: Hard, steady grinding does it for me.
sophie: How can a lover best make you come?
elena: Talk dirty and tell me sexy things—and grind the dick! I just really like seeing the other person into it. I love seeing the other person having pleasure.
sophie: What is the best part of your body and why?
elena: My ass because it's huge. Seriously, I feel like it's oversized.
sophie: What's the best way for a man to pick you up?
elena: Just keep it real with me and be sweet. Don't act creepy. Just be straight up. I love people who are blunt and honest and don't care. I need a lot of attention, though.
sophie: Describe your dream date.
elena: I would love to go on a cruise. Just experiencing something new is fun. Doesn't have to be extravagant, just sharing a new experience together is cool.
sophie: What's your ultimate sexual fantasy?
elena: I'm normally the dominant type of person; I just want to be taken over.
sophie: What's the best sex you've ever had?
elena: When I try to see how long I can go without actually fucking, just with foreplay and kissing, and then when I can't take it anymore, just finally going for it is the best feeling and the best orgasm 'cause of all the anticipation.
sophie: Do you like posing nude?
elena: I love it! I love my job, I have so much fun!
sophie: I hear you shot a BARELY LEGAL movie. What was that like?
elena: It was fun.
sophie: Was it your first movie?
elena: It's my first DVD that's out there. My first scene ever was for FTVgirls.com in November 2005.
sophie: You did it with Summer Smith, who's also new to porn. Were you nervous?
elena: A little bit.
sophie: Were you into her?
elena: Of course, she's hot.
sophie: Do you only do girls in your movies?
elena: Yes.
sophie: Does your boyfriend get jealous?
elena: I think so.
sophie: Does he like the idea of you doing porn?
elena: No.
sophie: Do you guys ever watch your movies together or any other porn?
elena: No. It's my job, I don't want to just watch porn for fun. I don't look at it the same way anymore.
sophie: Did you ever watch porn before you started in the business?
elena: Not really.
sophie: Do you have a favorite porn star?
elena: Yes, I have a couple. I love Courtney Cummz and Lisa Daniels.
sophie: Who do you admire in the porn business?
elena: Justine Joli for doing girl/girl only, and she's been in the biz for a while.
sophie: Who do you want to work with most?
elena: Anyone who's hot that's into me!
sophie: What are your future plans?
elena: Just to keep doing what I'm doing. I'm just having fun, and I love to work, so as long as I'm doing that, it's cool. ★

See Elena have a great Summer (Smith, that is!) in *BARELY LEGAL #62* on DVD.

SKATER GIRL FEVER

★★★★

Vivid Alt. Directed by Dave Naz; starring Leah Luv, Gia Jordan, Faith Leon, Kimberly Kane, Charlotte Stokely, Christie Lee, Nadia Styles, Nat Turnher, James Deen and Tommy Pistol.

It's easy to make a hot porno when you've got superstars like Leah Luv, Charlotte Stokely and Christie Lee, but really *cool* porn is hard to come by. *Skater Girl Fever* is sweet because it's totally different and fun. There's not *much* skateboarding stuff, but that's okay. Christie Lee and Nadia Styles spend most of the movie just hanging out and cracking each other up. They have awesome chemistry, which comes in handy for their hot threesome with Tommy Pistol. Faith and Kimberly Kane get along *really* well together, too. They do a lesbian thing that's totally hot. Faith jams her tongue and her fingers and everything up Kimberly's butthole, then breaks out a dildo. Leah Luv does a black guy with a ginormous thing. She takes it so deep up the butt that I thought it would come out the other side! She even licks the guy's butthole! The movie looks awesome, 'cause it's directed by this kickass photographer named Dave Naz who shoots tons of girls for BARELY LEGAL. And it's three hours, by the way. You don't have to like skating to love *Skater Girl Fever,* 'cause it's all about sex.

***Um*, Charlotte, that's not a thermometer.**

Kimberly's got to have Faith!

Gia shows off her new kicks.

WHO'S NEXT IN PORN? VOL. 2

★★★★

Loaded Digital. Directed by Astrux; starring Ali Kat, Alexis Red, Tatum Reed, Sasha Winters, Lana Peaches, Richard Kline, Alex Rox, Talon, and Alex Sanders.

There are a lot of awesome porn stars out there, but the cool thing about *Who's Next in Porn? Vol. 2* is that it's all, like, just regular girls who like to fuck—pardon my French! They're not fake or super skinny like so many porn-star wannabes, but they have the skills to pay the bills. Alexis Red is my fave. She's *soo* cute and sweet, I can't stand it. She's an awesome redhead with curves and a big, juicy booty. Like, I wish I had a penis just so Alexis could suck it. The sex is so sweaty and intimate and real, I felt like I was in the room spying on them instead of watching a porno. Sasha Winters is also doing her first porn scene—and her first anal! Apparently, she's *really* sensitive down there, but she likes it hard and rough. The guy drills her like there's oil in her cooch. But she has this gleam in her eye, like, Yeah, bring it on! Tatum Reed is another curvy girl who does anal her first time out—and does it like a pro. *Who's Next in Porn? Vol. 2* is funky and fresh because the girls are totally normal, horny teenagers who go all out.

It's not a squeeze bottle, Sasha!

Smile if you're horny, Tatum.

Alexis is in heaven.

Alexis turns her headlights on.

GISELE

I'M A LADY, DAMMIT!

Why is it so hard to find a good guy? I really want to meet someone who knows how to be a gentleman. You know, send me flowers, open doors for me, take me to nice places. Someone who's older, educated, professional. So why do I *always* end up falling for bad boys?

I know I'm only 18, but I watch *Sex and the City*. I can *soo* pass for older and get into clubs and stuff when I wear makeup and heels and my little black dress that totally shows off my butt.

I always dream of meeting some hot 50-year-old guy in a suit who's all suave and will wine me and dine me. But the one time I actually hooked up at a club was with the valet! Okay, in my defense, he totally looked like John Mayer with the shaggy hair and everything.

We totally had sex inside someone's Porsche. It was *so* hot. The windows fogged up and everything. It would have been awesome to take the car for a joyride, but he only had a 15-minute break, so there was no time to waste! There wasn't much foreplay, but it didn't matter. I was so turned on, I was wet instantly. He practically ripped off my clothes and had me sit on his cock. It was wild. He was like a little jackrabbit. We tried to do it doggy-style, but there was just no room in the backseat!

The whole time, I was scared we were going to get caught. I could hear people walking by and stuff. After we were done, I was in such a hurry to get out of there that I ended up leaving my panties in the backseat. *Oops!* I hope whoever found them wasn't too mad. If they found out the valet was having sex in their car, they might get him fired. And then what would I do on Saturday nights? ★
